

Ride Day for Individuals with Special Needs

September 30th, 2022

10:00 am -11:30 am

The Seymour Oktoberfest and Luehr's Carnival are offering a **FREE** "quiet ride time" for individuals with special needs and their chaperone. Rides are closed to the public at this time. This is tailored for individuals with special needs who would be more comfortable free of big crowds or loud music.

Plan to meet at the riding area at 10:00am to join the group and to receive a stamp.

Select rides will be running during this time.
